Criteria of students' knowledge assessment

The examination mark is determined by course as the sum of the maximum indexes of progress on midterm controls (to 60%) and to final attestation (examination) (to 40%) and makes value to 100% according to the table.

Grade on alphabetic system	Numerical equivalents	Percentage	Traditional system
A	4,0	95-100	Excellent
A-	3,67	90-94	
B+	3,33	85-89	Good
B	3,0	80-84	
B-	2,67	75-79	
C+	2,33	70-74	Satisfactory
C	2,0	65-69	
C-	1,67	60-64	
D+	1,33	55-59	
D-	1,0	50-54	
F	0	0-49	Unsatisfactory

Grade «A» (excellent) chooses in the case if student during a term showed perfect knowledge of all program questions of course, and also of subjects of independent work, regularly handed over midterm tasks, showed independence in studying of theoretical and applied questions according to the main program of studied course, and also on extra program questions.

Grade «A-» (excellent) stipulates perfect knowledge of basic laws and processes, concepts, ability to generalization of theoretical questions of course, regular handing of midterm tasks of classroom and independent work.

Grade "B+" (good) chooses in the case if student showed good and excellent knowledge of course questions, regularly handed over term tasks generally on "excellent" and some on "good".

Grade "B" (good) chooses in the case if student showed good knowledge of the questions opening the main maintenance of a concrete subject of course, and also subject of independent work, regularly handed over term tasks on "good" and

"excellent".

Grade "B-" (good) chooses to a student in the case if he well is guided in theoretical and applied questions of course both on classroom, and on AL subjects, but irregularly handed over midterm tasks and had cases of a repeating an examination of term tasks on course.

Grade "C+" (satisfactory) chooses to a student in the case he owns questions of conceptual character by all types of room classes and AL, can open the maintenance of separate modules of course, hands over on "good" and "satisfactory" term tasks.

Grade "C" (satisfactory) chooses to a student in the case he owns questions of conceptual character by all types of room classes and AL, can open the maintenance of separate modules of course, hands over on "satisfactory" term tasks.

Grade "C-" (satisfactory) chooses to a student in the case student during a term regularly handed over term tasks, but concerning room classes and AL owns only the general concepts and can explain only separate regularities and their understanding within a concrete subject.

Grade "D+" (satisfactory) chooses to a student in the case he irregularly handed over term tasks concerning room classes and AL owns only the general concepts and can explain only separate regularities and their understanding within a concrete subject.

Grade "D-" (satisfactory) chooses to a student in the case he irregularly handed over term tasks, concerning room classes and AL, owns the minimum volume of knowledge, and also allowed admissions of classes.

Grade "F" (unsatisfactorily) chooses when student practically doesn't own the minimum theoretical and practical material of room classes and AL on course, irregularly visits classes and doesn't hand over in time term tasks.

Midterm control is carried out on the 7-14 weeks of study and it develops proceeding from the following types of control:

Type of control	Percentage	Academic period of study, week															Total, %	
		1	2	3	4	5	6	7	8	9	10	11	12	13	14	15		
Attendance	0,4	*	*	*	*	*	*	*	*	*	*	*	*	*	*	*	*	6
Lecture notes	0,7		*		*		*		*		*		*		*		*	5
Work at seminars	1,6	*	*	*	*	*	*	*	*	*	*	*	*	*	*	*	*	24
Test quiz	12,5							*								*		25
Total								30								30		60

certification																
State examination																40
Total																100

Policy and procedures

At the studying course «History of Kazakhstan» I ask to observe the following rules:

1. Not to be late for classes.
2. Not to skip classes without a good reason, in case of an illness I ask to provide the reference, in other cases – an explanatory note.
